ISSUE 13-01

JULY 2013

The Beginning

In February 2012 we accepted the invitation to join a team of believers traveling to Nairobi, Kenya. The team of 18 was lead by our overseer and mentor, Rev. Miriam Hellman of Prophetic Ministries, Washington, D.C. Please visit her web site to read more about that trip to Kenya,

Miriam's directive to go was given by a supernatural vision from God where the Lord appeared to her with the instruction to deliver the message of the cross to the Kenyan people. As Miriam prepared for this mission, she was connected with the Bishop of World Harvest Church, Nairobi, Kenya, Bishop Papa Imoite. It was at Bishop Papa's church that our team would deliver the message of the cross. Each member of the team

ministered as The Holy Spirit led in powerful and unique ways delivering the message of righteousness, the love of God, the power of the resurrection, as

Kenya Ministry Team, February 2012 led by Rev. Miriam Hellman

well as ministry through praise, worship and the song of the Lord. Miriam ministered the vision she received from the Lord regarding the cross and

presented Bishop Papa with hundreds of cross cards to be distributed to other Christian ministers all over Kenya.

The anointing of the Lord rested heavily upon us that evening as James ministered a strong message on the importance of righteousness before God and Sabrina ministered an inspiring message of the power of the resurrection.

During the trip God's signature and His voice spoke to the two of us. We knew before we left Kenya, that we were to return.

We thought we would return with the team, but the Lord had a different plan.

The Cross Cards

The Ministry of the Cross Cards

Miriam Hellman had a vision that initiated our 2012 Kenya trip. In this vision Jesus said to her, "Tell people to nail their infirmities, sickness, problems and temptations through the holes on the card." You can write or draw the problem and then nail it through the holes with a pen or stick and leave the problem there. There is no magic in the card. The card is symbolic of the completed work on the cross, the moment God the Father and His Son Jesus secured victory for

us in every area. When we give our problem to Jesus and leave it with Him, He responds. The cross is a tangible way, a reminder to ourselves, to leave it with Jesus. This is a symbolic act of faith. God's power brings the needed deliverance. "...Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to the cross; ...triumphing over them in it." Col 2: 13-15

Cross cards are available for purchase and are sold for \$1 to cover the cost of production. You may contact Prophetic Ministries directly (800-869-5615) to purchase them or you may purchase them from Sons of Oil Ministries. These are unique gifts and witnessing tools that convey the powerful message of the resurrection of Jesus Christ.

Read how this cross card can help you give your request to God and leave it with Him and receive the answer.

The Cross Card for You

After experiencing various types of electrical outages in our home and vehicle, we decided to nail that problem to the cross. On a piece of paper we wrote our need. No more power outages of any kind in our home or vehicle. We nailed that problem to the cross. We attached the paper to the cross card and gave the problem to Jesus. A few

months later our city experienced a major snow storm that left tens of thousand of residents without power. Some were without power for seven days. We never lost power even though our neighbors did!

As we were communicating with friends and asked if we still had power. Sabrina looked out the front door and noticed

everyone in our neighborhood was without power and all the street lights were out yet we had power. After she communicated that to our friends, she asked me, "how is that possible, aren't we all connected to the same power source?". I said, "No, we are not. We have a different Power Source"! JF

Nail your need to the cross!

Samburu Village 2012

*"Suffer little children and forbid them not to come unto Me, for such is the kingdom of heaven".
Matt 19:14*

This picture captures one of the Samburu village children showing the cross card to other younger children of the village. As our company ministered the message of the cross among the Samburu tribe, she listened closely to our

interpreter as he explained it to others in the village. She took her cross card over to the other children and demonstrated it to them. The little children listened with great curiosity.

Look closely and you will see she has her finger in the hole.

Our Ordination July 2012

“Separate unto me Barnabas and Saul for the work whereunto I have called them,”. Acts 13:2

In June 2012, at the leading of the Holy Spirit, Miriam contacted James

and Sabrina to say that the Lord had spoken to her about our returning to Kenya for ongoing ministry. Our development under Prophetic Ministries had equipped us as a

team that could be received among this people group. We had our own independent witness of the Lord’s leading in this direction.

Miriam explained that after a period of time in prayer, she was certain

that the Lord was leading her to ordain each of us for this work. We accepted the call and the assignment to return to Kenya and minister the deeper things of God’s Word in this region.

We were ordained into the five-fold ministry office of apostle on July 28, 2012 by Miriam Hellman in Tulsa, OK.

We were joined by many from the Prophetic Ministries company as well as family and friends who came to participate in this special moment with us.

“ These are the two sons of oil, the two anointed ones, who stand before the Lord of the whole earth as His anointed instruments”.
Zechariah 4:14

Sons of Oil Ministries

How did our ministry get its name and what does it mean?

We received the name of our ministry from the Lord.

In this scriptural account (Zech 4:14), the two anointed ones are Joshua and Zerubbabel. Joshua represents spiritual authority and Zerubbabel represents civil authority. These two witnesses are the

sons of oil, the Spirit and the Truth.

The witnesses represent the ordinances and the offices of the ministry of God. They are endued with the gifts and graces of God’s spirit to qualify them for the work for which they are called . They stand before the Lord to receive direction from Him. The stand by Him ready to go as He directs.

This is the ministry of the Sons of Oil, two instruments, available for God’s use, and instruments of His authority in the Spirit and His authority in the earth.

Sons of Oil are vessels of the ministry of the Holy Spirit; the Oil of the Spirit poured out as God wills.

Comfort Together

In May of 2007, James organized an employee weekly gathering with the focus of praying for the leaders of our nation and identifying like minded believers in the workplace. In Nov 2008, on Veterans Day, James and Sabrina initiated a weekly meeting that ministers to Veterans at the local VA Med Ctr. This is a quality ministry, ministering the oil of the Spirit to wounded veterans

and with the oil of the Spirit we see veterans restored in their spirit, soul, and body! These meetings were the beginning of what is now, Sons of Oil Ministries, Inc. and are commonly referred to as, “comfort together group”. Both of these meetings are ongoing each week.

We see specific prayers receive amazing answers as we pray by the

leading of Holy Spirit. Come with a prayer that needs an answer! *“That is that I may be comforted together with you by the mutual faith both of you and me.”* Romans 1:12

On Easter weekend and the evening of Good Friday, March 29, 2013, Sons of Oil Ministries began holding regular local ministry meetings.

Join us on Friday evenings where we provide ministers and members what they need to produce any desired result in their own lives, their congregation, or their country. You will become fully equipped for the call of God in your own life. The same day we began, there was an *oil spill* in a small neighboring town which became national headline news the next morning.

Please confirm our meeting dates if you are traveling from out of town to attend.

Meetings are held on Fridays at 7:30pm in the Obama Room.

“Give and it shall be given...

We have confirmed our return to Kenya in February 2014!

We have received the call to return. The people of Malaba, Kenya are excited about our commitment to

bring more teaching and ministry of God's Word to them.

The people gave great testimonies of the blessing the teachings

were to them as we ministered deeper truths of God's Word. They are asking for more.

To God be the glory!

We need your generous support to get there. Please prayerfully consider how you can financially support this mission and help us bring the Word of the Lord to people in this remote part of Africa.

No amount is too small.

We appreciate every offering of support and every pledge of support.

We personally thank you for your support and pray God's riches blessings upon you and your family.

...unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again."
