The Voice of the Lord

What is God saying to you? What is His direction for you, for your ministry? Are you facing a big decision or just not sure of the Lord's direction? These are tough questions that require an honest answer within your heart. There has never been a more critical time to know what God is saying to you. The Lord leads by His voice. Do you **know** His voice?

Join us for a free 2 day conference where we will discuss how to hear and know the voice of God for yourself. Bring the entire family. Children can learn to identify the leading of the Holy Spirit within them when they are taught. Everyone is welcome!

**Where: Holiday Inn Presidential Hotel**

**600 Interstate 30, Little Rock, AR 72202**
